&

JAVIER RODRÍGUEZ, agricultural engineer and enologist, director of Rodriguez Sanzo, named best Winery of Spain in 2014.

PREFACE:

Our long friendship and sharing our interests, have led us start on a new project based on the search of unique vineyards and produce unique wines, obtained with minimal intervention.

PILOT:

El Quinto Paraje is a Verdejo wine elaborated from ecological vineyards. It is located in Rueda denomination of origin. The largest vineyard is located in Medina del Campo, 72 m above sea level and on a unique with minerals marbled soils. A special touch is given by vineyard located in Nieva at 910 m altitude, which existed already before the time of the phylloxera.

Fermented in French oak hogshead of 600 liters with battonages done until January, when the well-known frost time on the Iberian plateau begins causing a natural stability. Aged for 6 months.

EPILOGUE:

This wine expresses the authenticity of the Verdejo variety. You'll find the aroma of our soils, the elegance of its aging process and the originality of a single vineyard rooted in a place as hard as beautiful.
